21 DAYS OF GRATITUDE AND PRAYER

Welcome to the Live Bold Series 21 days of gratitude and prayer. We are so glad you are joining us on this journey!

Ann Voskamp says, "The brave who focus on all things good and all things beautiful and all things true, even in the small, who give thanks for it and discover joy even in the here and now, they are the change agents who bring fullest Light to all the world."

We all want our lives to matter and to be the light in our world. It's so easy to get caught up in what we don't have, enough time, enough money, enough gifting, enough, enough, enough! The Bible has the anecdote to our feelings of "not enough." It provides promises that connect our gratitude to joy. When we start cultivating a heart of thanksgiving it changes us!

This is your invitation to experience the fullness of God over the next 21 days as we focus on thankfulness in every corner and crevice of our lives.

Here is what we are suggesting and you can choose one or all three:

1. Each day there is a promise and a place for you to write a brief sentence of your "Live Bold thanks" for the day.
2. Take a few minutes to speak the promise out loud as a prayer of praise to God.
3. Keep a 21-day journal and write out a prayer using the daily promise as your prompt. You can even use pens, stickers, or cut-outs to decorate your page. Be creative!

Are you ready? Sign your name next to ours below as your commitment to practice living boldly with gratitude and let's be change agents full of truth and light! And who knows? It may even become a permanent habit! We will be posting each day in the Live Bold Series Group and encourage you to share your "live bold thanks."

We are so thankful for each of you!
